### Sun & Wind Energy – Print and Digital Paper

Test Sun & Wind Energy's digital papers six times for free.

Yes, I'd like to be convinced.

Please give me free access to Sun & Wind Energy's digital papers for the next six issues..

If I am convinced and don't cancel within 14 days after publication of the sixth issue, I will get Sun & Wind Energy's digital papers for one year (12 issues) for a charge of 51,00 €.

This agreement can be cancelled within 14 days by written notice. The date of posting will be accepted as the cancellation date.

After your registration you will receive your customer number and login details as soon as possible.

YES. I want to subscribe to the **e-paper** edition for the annual subscription price of 51,00 €

YES. I want to subscribe to the **printed** edition for the annual subscription price of 138,00 €

Please checkmark your decision and fill in your address and further data below.
